

Thermostating unit

Model TUD – C2080-A23

Vinci Life Science Applied SA
+41 91 630 0115
Head Office: Via Cantonale, 69 - 6805 Mezzovico
Production Site: Via Penate, 16 - 6850 Mendrisio

Product Specifications

Power supply	220-230V -50/60Hz
Cooling/heating range	- 20 C/ 80 C
Precision	0.5 %
Utilities required	Cold Water / Glycol mixed water , Recirculating pressure
Cooling Principle	Heat exchanging with a cold source
Heating Principle	Electrical heating elements

Specifications are subject to change without notice
